

U.P. VARRONS ALUMNI ASSOCIATION

U.P. Los Banos, College, Laguna

presents this

**OUTSTANDING LIFETIME
ACHIEVEMENT AWARD**

in

HIGHER EDUCATION

to

ASUNCION K. RAYMUNDO PhD

Batch Varronettes '63

For championing the cause of microbiology education and building the foundation of microbial genetics and molecular biology in the Philippines; for contributing to the advancement of the said disciplines through her more than four decades of academic work at the University of the Philippines which has catapulted her to the prestigious position of Dean, College of Arts and Sciences, UP at Los Baños; and for being recognized by the UP Alumni Association as one of its recipients of the 2007 Outstanding Professional Awards in the field of microbiology. All of these achievements have greatly contributed to the society and prestige of the UP Varrons Ltd.

**Given this 25th day of August 2007 on the occasion of the
45th Anniversary of the UP Varrons Ltd.
La Vista Pansol Resort, Calamba, Laguna**
